### SINGLE RESPONSE. RANDOMISE STATEMENTS

1. Play-based learning is essential for the brain development of children between the ages of zero to five
2. Children who have not been exposed to play-based learning between the ages of zero to five either start school behind, or are not ready to learn
3. Children who attend daycare or preschool at a centre will often have more opportunities for play-based learning than those who do not
4. **[SHOW IF WAVE 1]** A high-quality early childhood education and care system would help ensure better outcomes for those children when they graduate Year 12
5. **[SHOW IF H7=1 OR H11=1 (Have child that does/did attend daycare)]** The cost of early childhood education and care has risen substantially in the last 3 years
6. Australia's early childhood education and care system doesn't follow a consistent approach or deliver uniform standards of education and care
7. **[SHOW IF WAVE 1]** If learning difficulties and disabilities such as dyslexia, ADHD and autism can be picked up before children start primary school, the children are likely to be much better off in the long-term
8. Many families don't send their children to early childhood education and care or limit how long they send them, because of the cost

9. **[SHOW IF WAVE 2]** Many people who get into trouble with the law later in life have learning difficulties that weren't picked up early enough
10. **[SHOW IF WAVE 2]** Many families rely on long-day care being open 52 weeks per year to support their work and other commitments

**ASK ALL**

C4. How strongly do you agree or disagree with the following statements?

- a. Strongly disagree
- b. Somewhat disagree
- c. Neither agree nor disagree
- d. Somewhat agree
- e. Strongly agree

**SINGLE RESPONSE PER STATEMENT. RANDOMISE STATEMENTS**

- 1.
- 2.
3. We need to develop a universal, optional system that is accessible to everyone and make it part of our public education system
4. Making childcare part of the public education system will improve the standards of early learning centres

C5. For the purpose of the next few questions, please assume that 'a universal high-quality early childhood education and care system' would be one that was connected to the primary and secondary education system with a standard set of teaching priorities based around play-based learning. The system would be available at low or minimal cost to anyone who wants to use it, but using it would not be compulsory.

How strongly do you support or oppose introducing a universal high-quality early childhood education and care system along those lines?

**SINGLE RESPONSE**

1. Strongly oppose
2. Somewhat oppose
3. Neither support nor oppose
4. Somewhat support
5. Strongly support

- C6. If there was a universal high-quality early childhood education and care system, how do you think it would affect each of the following?
- Make it a lot worse
  - Make it a little worse
  - Make no difference
  - Make it a little better
  - Make it a lot better

**SINGLE RESPONSE PER STATEMENT. RANDOMISE STATEMENTS**

- The Australian economy
- The education system as a whole
- Gender inequality
- Social inequality
- Crime rates over the long-term

**ASK IF L4/1=4 OR 5 OR L4/2=4 OR 5 (Strongly /Somewhat agree that they have made career or family sacrifices)**

- C7. You said earlier that you had made sacrifices in your career for your family or in your family life for your career.

Which of the following do you think would have applied to you had you access to a universal high-quality early childhood education and care system?

**SINGLE RESPONSE**

- I wouldn't have had to make those sacrifices if I had access to a universal high-quality early childhood education and care system
- I would still have had to make those sacrifices if I had access to universal high-quality early childhood education and care system, but they wouldn't have been as big
- Having access to universal high-quality early childhood education and care system wouldn't have made any difference to the sacrifices I've made
- Unsure

**ASK ALL**

- C8. If a political party committed to introducing a universal high-quality early childhood education and care system, how would that affect your likelihood of voting for that party?

**SINGLE RESPONSE**

1. I would be a lot more likely to vote for that party
2. I would be a little more likely to vote for that party
3. It would make no difference
4. I would be a little less likely to vote for that party
5. I would be a lot less likely to vote for that party

C9. As you may be aware, the childcare subsidy is administered through Centrelink, and is subject to an Activity Test.

The Activity Test means that the number of hours of subsidised childcare parents can get depends on the number of hours they and their partner are in paid employment, study, training or doing volunteer work.

The Activity Test means that families with incomes above \$70,015 have limited or no subsidised childcare if one of the parents is not in paid employment, study, training or doing volunteer work.

How strongly do you agree or disagree with the following statements?

- a. Strongly disagree
- b. Somewhat disagree
- c. Neither agree, nor disagree
- d. Somewhat agree
- e. Strongly agree

#### **SINGLE RESPONSE PER STATEMENT. RANDOMISE STATEMENTS**

1. It's fair that people who are neither in paid employment, nor doing volunteer work do not get access to subsidised childcare
2. Because childcare has educational benefits for the child, the Activity Test means that children who are already in disadvantaged circumstances are further disadvantaged
3. The subsidy system administered through Centrelink is complex and time consuming and a barrier to accessing childcare
4. It's unfair for children to miss out on the educational benefits of childcare just because their parents aren't in paid work

C10. Have you seen or heard any media stories or campaigns in the past month about improving the early childhood education and care system for children aged 0-5 years?

#### **SINGLE RESPONSE**

1. Yes

2. No

C11. The Australian Labor Party has announced a new policy on early childhood education. They have said they will:

- Increase the maximum child care subsidy for families with one child in care, with extra support for those earning less than \$530,000 in household income
- Further increase to the child care subsidy for families with a second and more children in care.

How strongly do you support or oppose that policy?

**SINGLE RESPONSE**

1. Strongly oppose
2. Somewhat oppose
3. Neither support nor oppose
4. Somewhat support
5. Strongly support

C13. People sometimes change their minds in surveys. To what extent do you now agree or disagree with the following statement?

**Cheaper early childhood education and care would be very good for the Australian economy as a whole**

**SINGLE RESPONSE**

1. Strongly disagree
2. Somewhat disagree
3. Neither agree nor disagree
4. Somewhat agree
5. Strongly agree

### **Paid Parental Leave, Changes to state allocations and staff funding**

P9. Currently, the government Parental Leave Pay conditions are set for primary carers of newborns to receive up to 18 weeks payment, while secondary carers receive 2 weeks payment. Parental Leave Pay is set to National Minimum Wage.

To what extent would you support or oppose changing this so primary and secondary carers can share the payments between them (e.g. both carers could take 10 weeks each)?

#### **SINGLE RESPONSE**

- a. Strongly oppose
- b. Somewhat oppose
- c. Neither support nor oppose
- d. Somewhat support
- e. Strongly support

P2. Do you think the government Parental Leave Pay should be increased for carers to take time from work to look after their newborn (total time shared between primary and secondary carers)?

#### **SINGLE RESPONSE**

1. No, keep at the current 20 weeks
2. Yes, it should increase to 26 weeks
3. Yes, it should increase to 40 weeks
4. Unsure

#### **ASK IF NSW OR VIC**

P8. How closely have you followed the recent news of reforms to access and funding of early childhood education in your state?

#### **SINGLE RESPONSE**

1. I don't know anything about this
2. I heard about this, but don't know the details
3. I've heard a little about the details, but not that engaged
4. I'm very engaged with these announcements

#### **ASK IF NSW**

P3. The state government has recently made an announcement to reform access and funding of early childhood education. This includes.

- Every four-year-old will receive five days per week of pre-kindergarten to by 2030
- Committed to \$376.5 million over four years to give children a full suite of developmental checks

- Committed to \$280 million to train early childhood teachers and carers
- Spend \$5 billion over 10 years to allow private childcare operators to be paid to expand or build new centres

To what extent do you support or oppose these proposed reforms?

#### **SINGLE RESPONSE**

1. Strongly oppose
2. Somewhat oppose
3. Neither support nor oppose
4. Somewhat support
5. Strongly support

#### **ASK IF VIC**

P4. The state government has recently made an announcement to reform access and funding of early childhood education. This includes.

- 15 hours of kinder a week will be provided free for all children aged three and four in 2023
- Every four-year-old will receive free 30 hours per week of play-based education by 2025
- Set up fifty government-run and low-fee centres in areas without enough childcare services

To what extent do you support or oppose these proposed reforms?

#### **SINGLE RESPONSE**

1. Strongly oppose
2. Somewhat oppose
3. Neither support nor oppose
4. Somewhat support
5. Strongly support

#### **ASK IF NOT IN NSW OR VIC**

P5. The New South Wales and Victorian state governments have recently made announcement reforming early childhood education in their states. These reforms include;

- Introduce 30hours/5 days fully-funded day care/kinder for four year olds
- Investment in developmental checks for young children
- Additional funding to train early childhood teachers and carers
- Build new or expand early childhood education facilities in areas with long waiting lists

To what extent do you support or oppose these proposed reforms to be introduced into your state or territory?

## **SINGLE RESPONSE**

1. Strongly oppose
2. Somewhat oppose
3. Neither support nor oppose
4. Somewhat support
5. Strongly support

## **ASK ALL**

- P6. It has been argued that to continue to deliver high-quality care for pre-school children, the sector needs to recruit and retain more skilled, qualified educators.  
Of the following, which do you think would be priority for governments to grow the number of early educators working in centre-based day-care or preschool?

## **SINGLE RESPONSE. RANDOMISE STATEMENTS**

1. Competitive salaries to encourage new people to become early learning educators
  2. Early learning educators need to have better working conditions (lower child to educator ratios, flexible hours, better facilities)
  3. Provide subsidies for early education courses and qualifications
  4. Early learning educators should be as valued as school teachers and receive comparable pay and conditions
  5. Establish better career pathways and career opportunities for early learning educators
- P7. To what extent would you agree or disagree with the following statements about the education of preschool children with disability or special needs (e.g., autism, global developmental delay or cerebral palsy)?
- a. Strongly disagree
  - b. Somewhat disagree
  - c. Neither agree nor disagree
  - d. Somewhat agree
  - e. Strongly agree

## **SINGLE RESPONSE. RANDOMISE ROWS**

1. It is important for all children's development to interact with peers of different backgrounds and needs
2. All centre-based day-care or preschools should provide all reasonable adjustments and supports to educate children with a disability or special needs in the same classroom as other children
3. Families with children with a disability or special needs should have the option of local, mainstream care or specialist care when sending their children to early education
4. Acceptance of enrolment to a centre-based day-care or preschool should not be affected by a child's disability or special education needs

5. It is unreasonable to expect every centre-based day-care or preschool to cater for all disabilities or special needs children
6. Centre-based day-care or preschools need to ensure that children with a disability or special needs are not subject to exclusion from activities or other discrimination from staff or other children

P10. For each of the following, do you think employers should offer this to parents, so a child is able to attend early education?

- a. Employers should be required by law to offer this
- b. Employers should offer this as a benefit of the job
- c. Employers should not offer this
- d. Unsure

**SINGLE RESPONSE PER STATEMENT. RANDOMISE STATEMENTS**

1. Priority rosters for parents with children aged under 5, so parents can meet early learning pick-up/drop-off times
2. Regular hours for parents with children aged under 5, so parents can schedule early learning hours (often a child has set days/times which are available to attend early learning)
3. Flexible working locations so parents can meet early learning pick-up/drop-off times
4. Employer provides additional leave to parents with children aged under 5 so they can manage their childcare responsibility

## Demographics

Thank you for your time so far, we only have a few more questions.

- D5. What is the total of all wages/salaries, government benefits, pensions, allowances, and other income that your household usually receives (GROSS – before tax and superannuation deductions)?

### SINGLE RESPONSE

1. \$3,500 or more per week (\$182,000 or more per year)
2. \$3,000-\$3,499 per week (\$156,000-\$181,999 per year)
3. \$2,500-\$2,999 per week (\$130,000-\$155,999 per year)
4. \$2,000-\$2,499 per week (\$104,000-\$129,999 per year)
5. \$1,500-\$1,999 per week (\$78,000-\$103,999 per year)
6. \$1,250-\$1,499 per week (\$65,000-\$77,999 per year)
7. \$1,000-\$1,249 per week (\$52,000-\$64,999 per year)
8. \$800-\$999 per week (\$41,600-\$51,999 per year)
9. \$600-\$799 per week (\$31,200-\$41,599 per year)
10. \$400-\$599 per week (\$20,800-\$31,199 per year)
